REPORT

Date September 30, 1940.

Subject. Mr. MOUSINHO FERDINANDO REMEDIOS - Communication dated September 24, 1940 from H.B.M. Consulate-General.

Made by D.S.I. Wright

Forwarded by D. I. Crawford

Following is the record of Mr. M.F. Remedios on file with Shanghai Municipal Police :-

Attempted Suicide

At about 7.15 p.m., December 12, 1939, Remedios attempted to take his life by cutting his left wrist with a safety razor blade while residing at House 16, Lane 22, Kungping Road.

Police enquiries revealed that Remedios attempted to take his life due to the fact that the Russian paramour of Remedios and their small son aged about five years had left Remedios' home on December 10, 1939, following an argument believed to be due to the reduced financial circumstances of Remedios and his consequent lack of funds to support the woman and her son.

Remedios is now unemployed and has very little financial means at his disposal.

Particulars of Remedios birth etc., are known to H.B.M. Consulate-General.
